SUBJECT: COVID-19 GENERAL ORDER UPDATE #4: 1st Infantry Division and Fort Riley Commanding General's General Order in Response to Novel Coronavirus (COVID-19)

e. Home Visitation. Service members both on and off the installation are authorized to have up to 10 visitors in their home. A company-level commander may approve in-home gatherings of 11 to 20 people, and an O-5 may approve in-home gatherings of more than 20. Approval authorities will ensure that sufficient mitigation measures are in place for such gatherings. Due to size and square footage limitations, Service members living in the barracks are authorized two visitors in their room at any given time. During any home or barracks visit, individuals will maintain a distance of six feet from one another, abide by sanitation requirements, and wear face coverings when physical distancing requirements cannot be met.

f. Mass Gatherings. On-post gatherings of greater than 50 people are prohibited. Exceptions to this policy may be granted by an O-6 after an inspection by the 11D Division Surgeon's Office and notification to the 11D Command Group. Service members will follow state and local guidance regarding off-post mass gatherings. During any mass gathering, individuals will abide by sanitation requirements, maintain a social distance of six feet, and wear a face covering.

g. Mask-Wearing Requirement. Service members will wear masks at all times when indoors at public or military facilities both on and off Fort Riley (includes PRT, motor pools, and hangars). Service members will also wear masks while in a motor vehicle with individuals who are not their Family members. Exceptions to this are when eating, drinking, conducting cardio activities (running, circuits, etc.), or when alone in a personal office. Additionally, masks do not need to be worn on- or off-post if the Service member is outside and physical distancing requirements can be maintained. This requirement does not apply to individuals living in the same home/household.

h. Prohibited Locations. Service members are prohibited from visiting or patronizing "Aggieville," the business district located in Manhattan, Kansas, between the hours of 2100 and 0500. Service members are prohibited from dining, lingering, or remaining on the premises of any Aggieville business that serves food or drinks. From the hours of 0500 to 2100, Service members may pick up take-out or to-go service from Aggieville restaurants and patronize other businesses. Aggieville is defined as the restaurants, shops, bars, entertainment venues, and other non-residential establishments located in the vicinity of Moro Street with boundaries of Bluemont Avenue to the North, Laramie Street to the South, N Manhattan Avenue to the West, and N 11th Street to the East. Both sides of the boundary streets are prohibited.

i. Off-Duty Employment. All Service members are prohibited from engaging in outside employment as taxi driver, Uber driver, Lyft driver, or any similar rideshare services. All Service members are also prohibited from engaging in outside employment as a driver for a food delivery service such as Uber Eats, DoorDash, EatStreet, etc. Service members who began working for a rideshare or food delivery service prior to 29 June 2020 may obtain an exception to policy from an O-6 in the chain of command.
